** A Consumer Application must be completed (and assessed) as an Individual, the Lease can still be for business purposes providing the declaration is executed by the Customer.

Privacy Act Requirements

Ask the customer to confirm the following (the answer should be YES and noted - if NO, the application cannot proceed):

The Privacy Act requires that I get your agreement to obtain information about your credit worthiness. I will read you the substance of the declaration which you will be asked to sign later, but which I also need you to agree to now.

- You understand that we may obtain a report from Credit Reference Limited containing personal information about you to assess your application? **Yes / No**
- You agree that we may give to and get information from any credit providers that you tell us about and any providers that may be named in any report issued by Credit Reference Limited. This may include any information about your credit worthiness, standing history or capacity that credit providers are allowed to give or receive from each other under the Privacy Act? **Yes / No**
- Where necessary we may also need to confirm with your Employer, (or Accountant if Self Employed), to confirm your employment and income details. Do you also agree to this? **Yes / No**
- Finally, can you confirm that the information that you have provided for this application is correct and complete? **Yes / No**

Also (**Applicant's Name**) the Rental Agreement is subject to your acceptance of the Terms of the Agreement which you will need to sign on delivery.
